Bike to Work Day

Associated Students Transportation Solutions (ASTS) and the City of San Jose are hosting an Energizer Station.

Join tens of thousands of Bay Area residents as they pedal their way to work, school, transit, errands or play on Bike to Work Day! This year, the event will take place on Thursday, May 15, 2008. The 14th annual Bike to Work Day is a collaborative effort of city and county agencies, local and regional bicycle coalitions and hundreds of volunteers. There will be over 150 Energizer Stations set up throughout the Bay Area to provide free refreshments, giveaways, bicycling information, and encouragement to participants! For more information visit ASTS website: www.ts.sjsu.edu

The joint ASTS and the City Energizer Station will be on San Fernando Street at 4th Street, in front of the Martin Luther King Jr. Library, from 6:30am until 9:30am. Bike to work that day and grab some free stuff at the Energizer Station!

As a part of the Bike to Work Day activities, you can sign up for Team Bike Challenge and Company Bike Challenge to promote commuting by bicycle. To sign up, please visit: <http://svbcbikes.org/btwd>

The Career Center will be closed due to staff retreat. Please leave a message with the Front Desk Staff by calling (408) 924-6031 or send an email to careerhelp@sjsu.edu
